## **METACLEAN**

### **CLEANER AND DETERGENT SPRAY FOR METALS**

#### **CHEMICAL BASE:**

BASE: mixture of solvents and degreasers with low superficial tension

ASPECT: transparent liquid

PROPELLENT: denaturated, hodourless, nontoxic hydrocarbures

**CFC Free**

#### **DESCRIPTION:**

Metaclean is a degreaser and cleaner spray for metals. It eliminates any kind of dirty present on the metal: fit for cleaning oil spots, grease spots, encrustations, tar, carbone residues and glues. It quickly evaporates without leaving grease residues

#### **APPLICATION**

Shake the can before the use.

Spray on the treated surface, wait about 20 seconds for the complete penetration of the product and then clean with compressed air.
